Tuition and Fees

Students may register for both terms of summer school at the first registration period (waiting until the second summer term to select the courses for that term) and pay a total registration fee of \$65.00 for state residents and an additional \$55.00 for out-of-state residents. This option may not be exercised after the initial summer registration period. No refunds will be made after the initial period for refunds.

Students who register for each term separately will pay the regular \$9.00 per semester hour for state residents and an additional \$9.00 per semester hour for out-of-state residents. The graduation fee of \$15.00 is payable 30 days prior to graduation.

FORMER STUDENTS

A former student is defined as (1) one who has not registered at Memphis State University during the Spring Semester, 1965, and/or (2) one who has attended another college since he last attended Memphis State. Such a student, in order to qualify for re-admission, must clear the following requirements with the Records Office (Room 218, Administration Building) not later than May 15, 1965.

1. Complete the application form for re-admission provided by the Records Office.
2. Request the registrar of each college attended, if any, to mail a transcript of credits to the Records Office.

After the new applicant or the former student has completed the procedures outlined above, he will be notified of his status by the Records Office; if he is accepted, he will be issued a card of admission. **THIS CARD MUST BE PRESENTED AT THE REGISTRAR'S OFFICE AT THE TIME REGISTRATION PACKETS ARE OBTAINED.** Failure to comply with admission or re-admission procedures will delay your procurement of registration materials.

CURRENT STUDENTS

Students enrolled at Memphis State University during the Spring Semester, 1965, will have registration materials prepared for them only if they notify the Records Office—Room 218. If the Records Office is notified not later than April 19, 1965, registration materials will be available May 11-15, 1965.

Admission to Graduate School

Application blanks for admission to the Graduate School may be secured from the Dean of Admissions' Office, and all inquiries should be addressed to the Dean of Admissions.
